I accept the collection, use and disclosure of my personal information for the purpose of enabling my participation in the sports, conference and cultural program of the EuroGames 2027 and for the purpose of receiving information related to my participation in this event from PS in the form of electronic newsletters, promotional flyers and other communication media.

I give my consent that PS may disclose the following personal information to third parties that are involved in the organisation, on behalf of PS, of the EuroGames 2027: Name, date of birth, competition category, t-shirt size, any accessibility requirements and email address.

If I give permission to use my email address for marketing the next EuroGames, I consent to PS sharing this with the Frankfurt EuroGames 2028 Organising Committee in line with PS privacy policy.

2. Age Policy

The age limit for participation in the EuroGames in 2027 is 18 years. Accordingly, participants must be 18 years old or older by 14 July 2027.

3. Gender Policy

Cardiff EuroGames 2027 is a trans-inclusive positive action initiative dedicated to addressing the exclusion and under-representation of Lesbian, Gay, Bisexual, Transgender, Intersex and Queer+ (LGBTIQ+) people in community sports participation and competition by removing identity and experience based barriers.

In line with this purpose, Cardiff EuroGames 2027 supports athletes to participate as their true selves, in the gender category they feel most comfortable with. EuroGames uses the terms “man” and “woman” within this context to mean anyone who identifies with these gendered labels, including trans women and trans men.

In some sports we also include the following category terms:

“Non-Binary” – for those who may not exclusively identify as men or women, or feel more comfortable participating in this category for some other personal reason

”Open” – for anyone

“FLINTA” - a dedicated category for participants who may be women, lesbians, intersex, non-binary, trans, agender

During the registration process, athletes are asked about their sexual and gender identity, and trans status. Please note that these are optional questions. We ask these questions to better understand and support the diverse community participating in EuroGames 2027, helping us to make our event as inclusive and welcoming for all athletes as possible and to promote diversity and inclusion in EuroGames as an LGBTIQ+ sports movement

4. Health and Insurance

I declare that I am in a physically fit and healthy state which is required for participation in events of the EuroGames in 2027 for which I am registering, and that I am not aware of any serious medical condition that would prevent me participating in these physical activities. For clarification, it is agreed that having been diagnosed as HIV positive is not considered a “serious medical condition” for the purposes of this clause.

If I sustain an injury or illness while participating in any role in the EuroGames 2027 I hereby authorise any medical or health personnel to perform and administer first aid medical treatment as deemed necessary and to seek more specialised medical attention at hospitals and health care institutions if deemed necessary by any first aid and medical staff or contractors of PS.

I accept that it is my responsibility to organise my own travel insurance and personal accident insurance to cover my property and myself for the whole period of the EuroGames in 2027. I agree that I have hereby been advised to acquire adequate personal accident and health care insurance as a participant in any role in the EuroGames in 2027.

PS reserves the right to combine or eliminate grades, levels, rounds, event lengths, categories, divisions, or other classifications if deemed necessary at PS's complete and sole discretion.

Under the UK's Equality Act 2010, venues and events must take reasonable steps to make sure that disabled people are not at a disadvantage. I agree not to act in a way that would harm or compete with or devalue PS and European Gay and Lesbian Sport Federation, EGLSF sponsors' rights regarding branding potential, logo rights, exclusive presence, etc. at venues where events are being held. If at any time during the event, officials designated by PS determine, at their sole discretion, that my actions may result in the devaluation of said sponsor rights or competes with the event sponsors, I will be required to immediately cease such action, including the removal of any uniforms, signs or other items that compete with sponsor or potentially devalues such sponsorship.

10. Promotional Material

I hereby grant PS the unconditional right to use, at its discretion, photographic pictures of myself in any form of media, art, advertising, trade, visual documentary, promotional material, merchandise or film coverage of any kind without compensation to me or approval by me.
